Praying Like Jesus
(10 Brief Studies in Prayer)

“RECAP”

These Ten studies glimpse into the
Prayer life of Jesus.

BIBLE STUDY

PRAYING LIKE JESUS

Study 1. Jesus believed that prayer works, was the beginning of our study. In the conclusion we found that like Jesus we must believe in the incredible power of prayer. Truly the question is, Do you believe?

Study 2. Praying did not make Jesus Passive. We learned the faith without works is dead. Jesus not only prayed but he put his hands to the plow and worked. Are you working in the vineyard?

Study 3. Jesus prayed Alone. We learned from our Savior that solitary prayer avoids distractions. There were time Christ had to change his geographical place to pray, (**Luke 4:42, 5:15-16**). Sometimes we have to be alone. Do you have a war room?

PRAYING LIKE JESUS

Study 4. Jesus also prayed in community. Jesus teaches us that group prayer strengthens private prayer. Praying with people of God is foundational to worship. **(Matt. 18:20)**. Are you gathering in prayer in his name?

Study 5. Jesus prayed before meals. Praying before meals is a good reminder that we are beneficiaries of good things. God has blessed us with food and resources to feed ourselves and we need to thank him for our daily bread!**(Matt. 6:11)**.

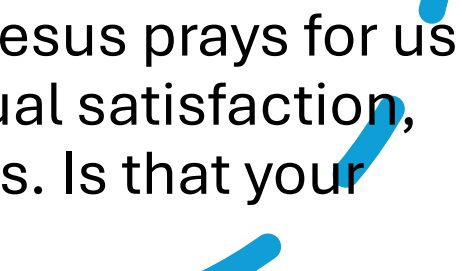

Study 6. Jesus offered thanks. Jesus offered thanks, and to fail to give thanks speaks to our relationship with God. If we were not thanking him, we probably are unaware of his mercy and his grace that he gives us everyday. Let's not forget our manners! **(Luke 17:17-18)**. Do you thank him?

PRAYING LIKE JESUS

Study 7. Jesus Sang some Prayers. We found that our savior sang at times of prayer. Prayer can and should include singing, especially those songs that help us focus on God, his attributes, and character. **(Eph, 5:18-20)**. At times are you singing out to the Lord in Pray?

Study 8. Jesus prayed before making Important decisions. Prayer keeps us in tune with God's will and his Purpose. In decision making we should focus our prayer on his will and purpose for our lives. **(John4:34)**. Is your focus aligned with his focus for you?

Study 9. Jesus prayed for his disciples. Jesus prays for us as his disciples, perseverance, unity, spiritual satisfaction, growth in holiness, and witness to others. Is that your prayer for one another?

PRAYING LIKE JESUS

Study 10. Jesus continues to Pray for Us. This was one of the most powerful lessons of them all. We investigated the fact of our Savior being our mediator and intercessor before the Holy and righteous God. He is praying for us even when we were not praying for ourselves. When we start praying, we are only joining the prayer meeting.

“He Always lives to intercede for them.” (Hebrews 7:25)

Let us always look to the one who has made a way for us and take a lesson from his book when it comes to prayer.
Let's Pray Like Jesus!

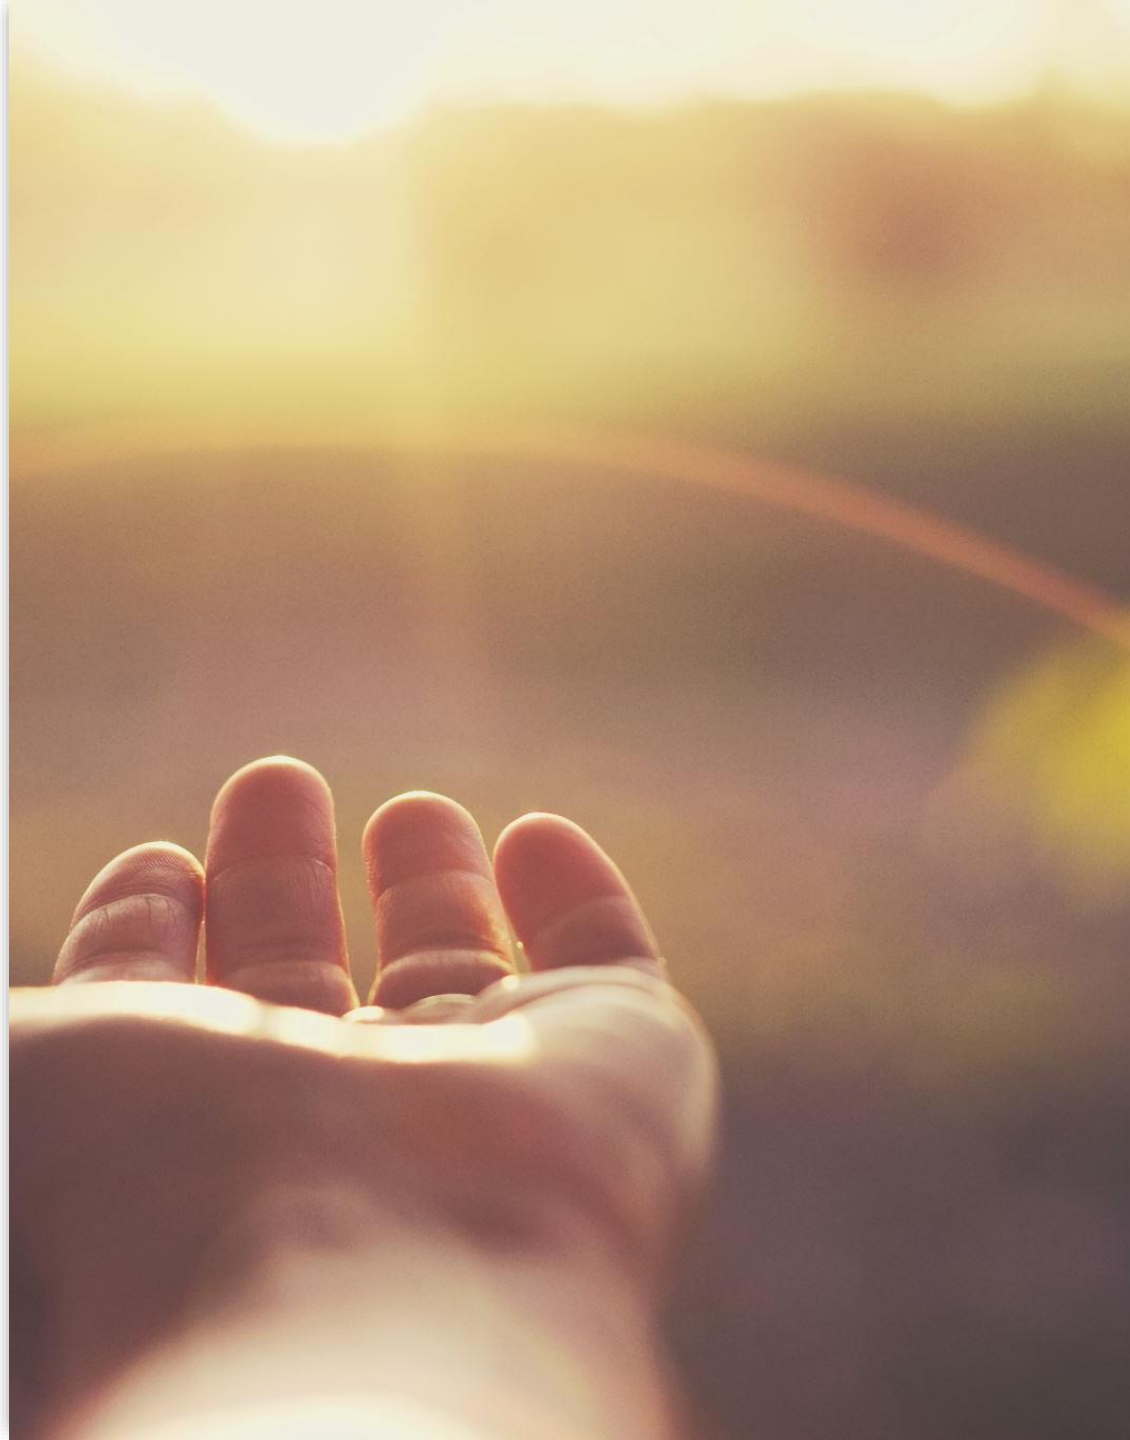

CONCLUSION

Jesus is the one that we should model. We shouldn't just model our prayer lives after him, but we should model our entire lives after him. He died that we might live. The lives we live are not ours alone, but they truly belong to him.

Are you living a life of sacrifice to Jesus?

Are you loving and praying for others as he commands?

Are you allowing the Holy Spirit to mold, shape, and make you in his image?
